Commercial SOLUTION SPECIALISTS

The Right Choice for Your Next Project

KNOWLEDGE & EXPERIENCE

Fence & Deck Connection was founded 25 years ago, bringing professional experience to the forefront and a commitment to quality and craftsmanship. We have completed countless projects throughout the Mid-Atlantic region in the commercial, industrial, government and security sectors, in all types of environments. We also offer aesthetically pleasing products that are both high in quality & affordability, keeping your bottom line in mind.

PROVEN CAPABILITY

Fence & Deck Connection's integrated in-house fabrication of aluminum & vinyl products along with their extensive raw material inventory results in much improved productivity and availability compared to the competition. By having a vast finished goods inventory, Fence & Deck Connection is capable of delivering products faster than competitors who sublet the majority of their operations. We have an A+ rating with the Better Business Bureau and ZERO complaints with the Maryland Home Improvement Commission for over 15 years. Our promise is simple: quality without compromise.

INDUSTRY LEADERSHIP

Over the years, Fence & Deck Connection has continually raised the bar across the board in the installation of high quality, innovative fencing and decking products. Our demonstrated commitment to upholding higher values translates into superior workmanship that goes far beyond merely meeting minimum industry standards.

BEST WARRANTY

Fence & Deck Connection has one of the best commercial warranties in the market. We offer a 3 Year Structural Warranty on all of our commercial contracts. We build with the intention of exceeding our clients' expectations for safety, quality, functionality, and aesthetics, and deliver finished products that stand the test of time.

New Construction & Renovations

As a leading commercial railing installer in the Mid-Atlantic area for both new construction and renovation projects – we are constantly working with contractors and large companies to ensure that every job we do meets and exceeds strength and resistance requirements conforming to stringent building codes. We collaborate directly with clients to ensure all specification and code requirements are met, and that the finished project will have aesthetic appeal.

Commercial DECKS, RAMPS, WALKWAYS & STRUCTURES

Architects, landscape architects and contractors choose Fence & Deck Connection for their wide selection of decking materials from wood to composites to cellular pvc. Our versatility in job design, function and construction make Fence & Deck Connection a top choice for your commercial decking needs. Other structures such as pavilions, gazebos and pergolas are an excellent choice for community spaces, apartment complexes and condos, malls or any area where shade may be needed or required. These structures can be constructed from pressure treated stabilized wood, composites or vinyl material. All have different levels of environmental preference and minimal maintenance requirements.

Commercial & Security FENCING

Professionally installed fencing adds to the privacy and security of your business or facility, and today's commercial fences deliver a stylish blend of functionality and aesthetics. An industry leader and innovator, Fence & Deck Connection tailors fence and gate options to meet your company's budget, property, and safety requirements.

Our Crews Are:

- Background Checked
- Security Cleared
- Average Tenure Of Over 10 Years

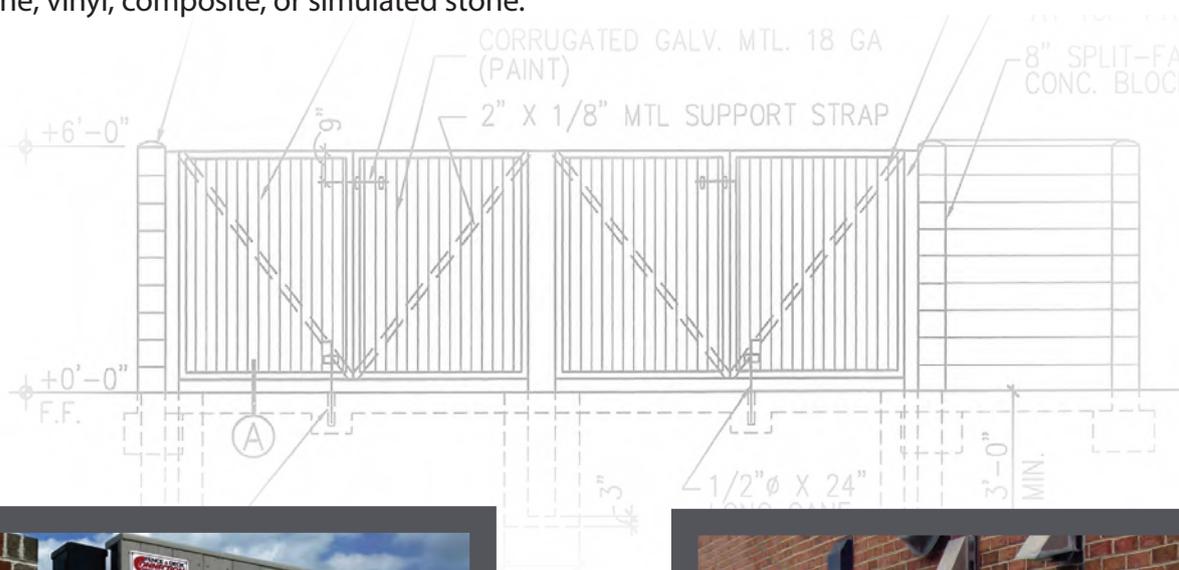

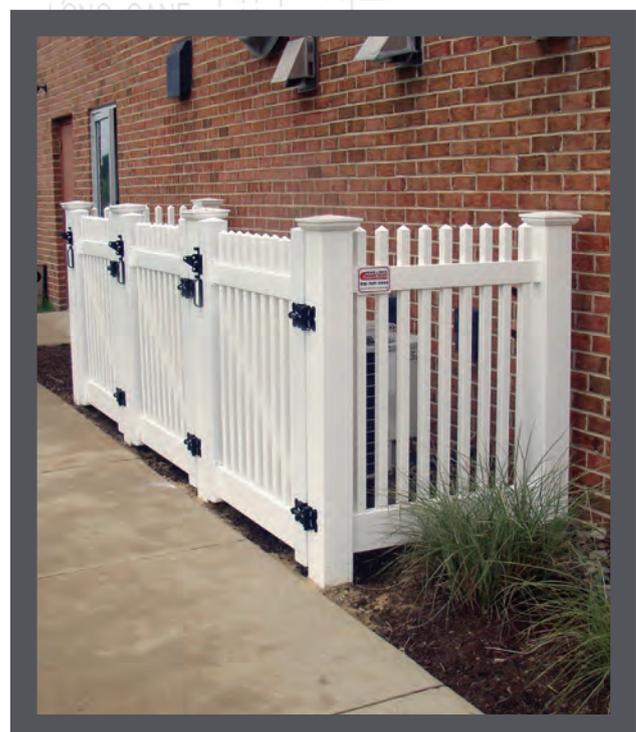

DUMPSTER & UTILITY ENCLOSURES

Enclosing All Types of Building Maintenance & Service Areas

Fence & Deck Connection offers solutions for enclosing all types of building maintenance and service areas. Most commercial properties necessitate the use of enclosures for utility units or waste receptacles. Maximize aesthetics and minimize cost and maintenance with a custom enclosure in cedar or premium treated pine, vinyl, composite, or simulated stone.

SAFETY

Committed to Safety Above All Else

Fence & Deck Connection is committed to safety above all else. No project is successful unless it is built safely. We believe that all accidents are preventable, and through proper planning and training, employee engagement and empowerment, and constant vigilance, we can ensure that everyone leaves the jobsite in the same condition that they arrived.

Fence & Deck Connection is OSHA compliant and goes beyond compliance, to ensure the safety of our workforce.

OSHA Safety Requirements Are Essential

WHO WE ARE

Your Turn-Key Solution

Fence & Deck Connection has been helping our clients build for over a quarter of a century. Locally owned and operated since 1991, we have grown from a small local fence company into one of the most capable and trusted providers of railing, fence and deck installation services in the Mid-Atlantic. As one of the area's most established businesses, we have a long-term perspective that is invaluable in our industry.

Our portfolio features projects of all sizes and levels of complexity — from intricate courtyard fencing to multi-family high rise railing installations. Fence & Deck Connection's breadth of capabilities ensures that we are able to meet our clients' needs every time, and ahead of schedule.

But, more than our extensive portfolio, what truly sets us apart from our competition is our people. Their dedication to providing world-class service to our clients, resolve for delivering exceptional work, capacity for innovation and problem solving, and unwavering commitment to improving the communities we serve, not only make Fence & Deck Connection a great place to work, but a company with whom our clients want to work alongside.
